Subject: Notice of File Closure and Release of Reclamation Surety, Granite Construction Co., Morgan Aggregate Facility, S0290007, Morgan County, Utah

Dear Mr. Faulhaber:

The referenced Notice of Intention to Conduct Mining Operations, located in Morgan County, Utah, will now be closed and the files retired. The site was transferred, as a Large Mine to another company which furnished a replacement surety.

The Division is returning your original reclamation contract for your disposal or records.

You are hereby released by the Division of Oil, Gas and Mining from further reclamation responsibilities at these sites. If you wish to conduct any future mining or exploration related activity in this area, you will need to submit a new Notice of Intention to the Division and provide reclamation surety prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5261 or Leslie Heppler at (801) 538-5257. Thank you for your cooperation.

Sincerely,

Paul B. Baker
Minerals Program Manager
